

## Calling New Nurse Leaders!

In efforts to encourage and engage emerging nurse leaders in Pennsylvania, The Pennsylvania Organization of Nurse Leaders (PONL) is offering membership to new nurse leaders at the **reduced cost of \$75/year**.

To obtain these lower dues rate an applicant must qualify for PONL membership and have less than 24 months of leadership experience at the time of application. If you renew next year with still less than 24 months of leadership experience you can, once again, pay \$75/year. At the time of next year's renewal, should you have more than 24 months of leadership experience, you will be expected to renew at the usual rate of \$125/year.

Share this information with your colleagues and encourage them to become active in PONL...
